AREA II COMMAND POLICY #5-17

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Yongsan Gate #10 Restrictions

1. PURPOSE: This policy provides guidance and establishes restrictions for the use of Gate #10 in the Yongsan Area.

2. APPLICABILITY: This policy applies to all personnel either living in, or visiting the Yongsan area. The below restrictions are permanent due to the physical construction of Gate #10.

3. GENERAL:

a. The physical construction of Gate #10 will cause severe traffic congestion.

b. This policy will ease the congestion affiliated with the project. Therefore, the following list of oversized/large vehicles are not allowed to use Gate #10 on South Post. Alternate gates will be used for the oversized/large vehicles listed below. The types of oversized/large vehicles that are restricted from using Gate #10 are:

(1) Department of Public Works (DPW) vehicles (Dump Trucks, Cement Mixers, etc.)

(2) Contract vehicles over ½ ton (e.g. Trash Trucks, Fuel Trucks, Buses, Dump Trucks, Cement Mixers, etc.)

(3) Tactical Vehicles

c. Commanders and supervisors must provide the necessary command emphasis to ensure this policy is disseminated and strictly adhered to.

4. Violations of this policy should be reported to the Military Police Desk at 724-3004/3008. Accordingly, the guidance and requirements outlined above will be strictly enforced by Military Police. Personnel that violate this policy are subject to ticketing and other administrative sanctions as provided for in existing command policy and regulations.

5. Any questions regarding this policy should be addressed to the Commander, Area II Support Activity, ATTN: Law & Order Office, Unit #15333, APO AP 96205-5333, DSN 738-4361/4414, or the Deputy Garrison Commander at DSN 738-7446.
